RESPONSE TO DECISION ON PETITION

TO THE COMMISSIONER OF PATENTS:

REMARKS

The Decision on Petition dismissed the petition and indicated that the petitioner has submitted neither Claims 1-6 nor an amendment which directs the entry of Claims 1-7.

Applicant submits that a copy of the Response to Notice of Incomplete Nonprovisional Application was mailed with the petition. Page 3 of that document included Claims 1-6. Attached is a copy of that document and a copy of the postcard stamped by O.I.P.E. that indicates that the response to Notice of Incomplete Nonprovisional Application (5 pages) was received by the U.S. Patent Office. Thus, Applicant submits that the application was amended to include Claims 1-7 and that these Claims are identical to Claims 1-7 that were cancelled in the parent application.
